About Us

Eden Home Development (Thailand) Company Limited, a new property development company based in Phuket that aims to build top quality luxurious condominiums.

Founded by Eden Home Real Estate and legal Services, Eden Home Development aims to establish a footprint in the real estate industry by providing our very own luxury condominium in Phuket.

We strive to meet the many great expectations of discerning clients for sustainable quality materials and a variety of high-end furnitures in their living. We ensure our construction process is also highly monitored with an experienced team, to ensure that each process is maintained perfectly for maximum value on properties to construct with sustainable quality materials and provide a variety of high-end furniture in our furniture packages.

Our Vision

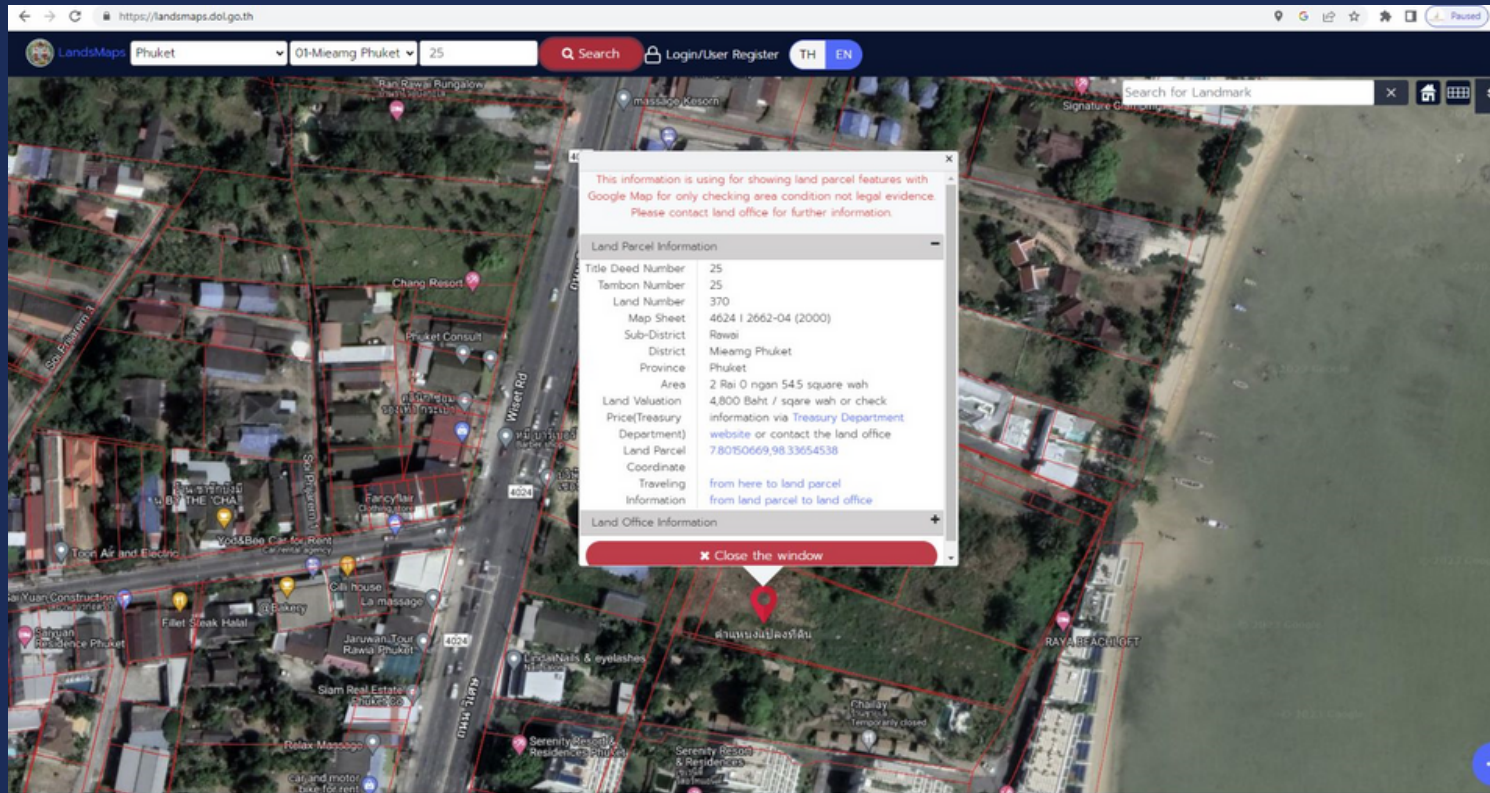

In order to ensure the most quality materials and construction process our Eden Home Development has partnered with Bureau Veritas to supervise and ensure that only quality materials are used on the construction process.

Bureau Veritas is a world leader in audit and certification services. The company has embedded sustainability into their strategy across their entire organization and businesses.

Their main goal is to meet the challenges of safety, environment, social responsibility and product or service quality all along the chain. Bureau Veritas is here for building and infrastructure controlling, to ensure us that the process meet all expectations.
